re: your 10 March letter

Dear Prof. Simonsen:

The University of Chicago Press is happy to waive any fees which may be due us and to grant you permission to include your contribution, “Quantifying Evolutionary Genetic Constraints in the Ivyleaf Morning Glory, *Ipomoea hederacea*” co-written with John R. Stinchcombe from our journal, *International Journal of Plant Sciences* (IJPS Vol. 171, No. 9 November/December 2010, pp. 972-986) in your dissertation titled *The Evolutionary and Ecological Consequences of Partner Variation in the Mutualism between Legumes and Symbiotic Nitrogen Fixing Bacteria*, as described in your letter.

Please give full credit to our publication and to the University of Chicago Press as publisher. The acknowledgment should also include the identical copyright notice as it appears in our publication. Our records show the correct copyright information for this material is:
