The Group of Seven and Political Management of the Global Economy

Michael C. Webb

ENDNOTES

7. IMF, World Economic Outlook (May 1998), statistical appendix. G7 averages are weighted, and data for the 1990s includes IMF estimates for 1998 and 1999. Bergsten and Henning point to the failure to maintain global economic growth as another key failure of the G7 in the 1990s; Global Economic Leadership and the Group of Seven, p. 27.

23. For a prominent American proposal, see Bergsten and Henning, Global Economic Leadership and the Group of Seven.

35. Group of Seven, “The Halifax Summit Review of International Financial Institutions”.

38. *Global Economic Leadership and the Group of Seven*, Chapter Five.
